

Welcome to **I n a r T e c h n o l o g i e s**

Inar Technologies have won accolades and business from existing and new clients for our consultative recruitment approach. We have been helping our clients to improve their recruitment process in terms of Quality-of-Hire, Time-to-Fill and Cost-per-Hire. We specialize in providing customized hiring solutions to our clients so that they can achieve greater efficiency and business performance. Through our collaborative approach and flawless execution we help our clients achieve their strategic talent acquisition goals. Our passion, integrity and work ethics set us apart and make us a preferred hiring partner with our ever expanding client base. We seek to deliver excellent value to our clients and candidates alike with our highly professional services. We are proud to call ourselves recruiters...a job that changes people's lives and improves business performance.

HR solutions for your business needs

Inar Technologies believes in playing the role of a partner constantly shadowing the client on all dimensions of HR in an integrated manner through capabilities and expertise in Strategic HR Consultancy, HR Operations, OD Interventions ,Recruitment & Selection, Temporary Staffing, Payroll Processes, Executive Diligence, Community plugins, Training and Coaching, etc.

As an organization we pivot on three aspects- Expertise, Innovation and Execution. We not only assist clients with strategy formulation but are also accountable and responsible for last mile implementation and execution.

HR Outsourcing

Across the world companies have been increasingly outsourcing HR dimensions to derive cost benefits and increase focus on strategic aspects of Human resources.

Improve Results And Reduce Costs

Inar Technologies offers a comprehensive service that is both time efficient and cost effective. All aspects of the recruitment process can be carried out remotely, including shortlisting, psychometric testing. By carrying out the entire process remotely the client saves money on their own, and Atrium's.

Save time: only allocate time for final interviews

Consistency: retain corporate message throughout global outpost offices

Service: provided by experienced HR professionals
